NOTICES

Acting rank is now shown in this publication *only* in the case of officers of the Army Emergency Reserve and of the reconstituted Territorial Army, including the Territorial Army, General List, Sections A. and B.

The figures in square brackets thus [1] after the titles of Infantry regiments denote the former regimental districts to which the regiments belonged.

The badges, devices, distinctions and mottoes borne on Standards, Guidons and Regimental Colours are shown after the title of regiments, the "centre" badge being printed in heavy type. In the case of Regiments and Corps which do not bear Standards, Guidons or Colours, the badges, etc., shown after their titles are the cap badge or shoulder belt badge.

The honorary distinctions below the titles of regiments denote the honours awarded to regiments in commemoration of their services. Those printed in heavy type are borne on their Standards, Guidons or Colours or, in the case of regiments having no Standards, Guidons or Colours, on their Appointments.

The Great War and the Second World War battle honours shown in heavy type are borne on the Queen's Colour: the remaining battle honours shown in heavy type are borne on the Regimental Colour. Foot Guards bear all battle honours shown in heavy type on the Queen's and Regimental Colours.

The colour of uniform, etc., indicated is that of No. 1 dress except where otherwise stated.

As announced in London Gazette (Supplement) dated 22/8/47, all *European* Queen's Commissioned officers on the Active List of the Indian Army are deemed to have been appointed as from 15th August, 1947, to a Special List (ex Indian Army) British Army.

Indian Army Associations. A list of addresses of secretaries or representatives of associations connected with the Indian Army (pre 1947) and Auxiliary Force (India) is maintained at the R.M.A. Sandhurst Museum, the official Museum for the Indian Army. Correspondence should be addressed to:—

The Director, National Army Museum, R.M.A. Sandhurst, Camberley, Surrey. (Tel. Camberley 1661. Ext. 239).

All communications on officers' personal entries in this List (other than those on obvious misprints) should be addressed to The Under-Secretary of State (O.D.O.), The War Office, Stanmore, Middlesex. Communications from officers about their own personal entries should be sent through officers commanding units or establishments.

Communications regarding other matter appearing in this List should be addressed to The Under-Secretary of State (C.S. A.L.), The War Office, Stanmore, Middlesex.

Officers who succeed to peerages, baronetcies or courtesy titles are responsible for immediately notifying the fact to The Under-Secretary of State, The War Office (O.D.O.), in order that the necessary alterations may be made in the Army Lists and in the official records of the War Office.

The object of the Fund is to assist to the fullest extent possible in the provision of financial support to Corps, Regimental and other Charitable Organisations which directly or indirectly benefit Service and ex-Service men and women and their dependants. Since its inception in September 1944 the Fund has made grants to these organisations amounting to over £3,300,000 and the calls on the Fund are heavier than ever.

Donations, which cannot be too large or too small, may be paid into any bank in Great Britain or Northern Ireland for credit of the Fund, or sent to the above address.

President: Field-Marshal The Rt. Hon. The Viscount Alanbrooke of Brookeborough, K.G., G.C.B., O.M., G.C.V.O., D.S.O.

Chairman of Governors: Marshal of the Royal Air Force Sir John C. Slessor, G.C.B., D.S.O., M.C.

The Home stands on the site on Richmond Hill of the old Star and Garter Hotel, famous for over 200 years, and was converted early in the first World War for the care of men severely wounded.

When the War ended, the new Home, largely subscribed by the women of Britain and the Empire, whose special War Memorial it is, was opened by King George V and Queen Mary in 1924.

The Home provides happy and permanent accommodation for disabled ex-servicemen and gives them the best possible medical treatment. It accommodates 200 patients with over 80 men on the waiting list. A few of the patients are veterans of the Boer War, two-thirds served in World War I and the remainder in World War II or later.

It is an independent charity and not part of the National Health Service. Rising costs over the years have steadily widened the gap between expenditure and reliable income. An average of nearly thirty thousand pounds is needed each year to bridge this gap.

Financial help is needed to enable the Home to continue as its founders would have wished. Donations would be gratefully received by the Commandant at The Star and Garter Home, Richmond, Surrey. Telephone: RICHMOND 3314.

KITCHENER MEDICAL SERVICES SCHOLARSHIPS

Medical Services Scholarships, for which the money is provided by the Services, are awarded annually by competitive selection (a) to sons of officers and men or women, or of ex-officers and men or women, of the Regular Forces who have served in War, or (b) to sons of officers and men or women, or of ex-officers and men or women, of the Reserve and Auxiliary Forces who served in the Great War of 1914-18 and/or the World War of 1939-45, who are over 17 and under 20 years of age on 1st January of the year of application (but the Committee may consider applicants over 20 who had before that age begun an approved medical course) and who require financial assistance to enable them to undergo a course of medical education with a view to obtaining commissions in the Medical Branches of the Royal Navy, Army or Royal Air Force.

The Scholarships are limited in number, at present to five each year, of which two are for applicants for service in the Royal Navy, two for the Army and one for the Royal Air Force. The value of each Scholarship is dependent on the financial resources of the scholar's family. The Scholarships are granted on the condition that the scholar, on becoming qualified to practise medicine and surgery, will apply at once for a commission under the current Regulations in the Medical Branch of the Service for which he was selected and that, if granted such a commission, he will render not less than five years' actual service on full pay: if, however, he does not continue in the Service and serve for at least fifteen years, the money spent by the Service on his Scholarship will be deducted from any gratuity that may be due to him on relinquishing his commission.

Applications can be received only in January or February of each year, and must be made on an application form obtainable as below.

Further details of these and other Kitchener Scholarships for University courses for sons of Service parents may be obtained on application to:—
